The Hybrid Bible Quiz will take place *Saturday, March 13, 2021 from 9 am till noon*.

Churches have the option to quiz as early as March 6, 2021, including quizzing during the club night. However, all quiz responses are due by 11 am GMT -6 (Central) on March 13. Most US churches in Central and Eastern time zones will quiz on March 13. However, churches in GMT -7, (Mountain) -8 (Pacific), -9 (Alaska) and -10 (Hawaii-Aleutian) will want to quiz either on March 6 or mid-week. Churches in Europe can easily quiz on March 13, but also have the same flexible format.

General Information

Quizzing Staff

- Each church should provide at least two volunteers who are acquainted with the Bible Quiz rules, a Reader to read the questions, a Recorder to record the answers, and a Reporter to submit the answers electronically. The Reporter can be one of the other 2 volunteers.
- Coaches can be for each team, each book, or for all quizzers as suits your church.

Quiz Format

A quiz team refers to the participants in each book, not to a total group of clubbers representing a church. A quiz team can consist of one, two, or three clubbers.

The Bible Quiz includes 10 Multiple Choice (A, B, or C) questions, followed by 10 Team Huddle (short answer) questions.

The Quiz Reader will read a question, and the team will have a set time to select their answers, and then respond. A Recorder will document their exact answers, which will later be entered into the website by the Reporter.

Multiple-Choice Quizzing

1. Each quizzer is provided a set of paddles to discuss the answer with their team, by lifting the tip of the paddle. Each team will choose one answer as their “final answer.”
2. When all possible answers have been read, the Quizmaster will say, “Select your answer.” Quizzers have five seconds to determine their choice of answers. When the five seconds are up, the Quizmaster will call, “Paddles up.” Then the Quizmaster will give the correct answer.
3. During the five-second-answer time, quizzers show their team the answer they believe to be correct. Then, at the call “Paddles up,” one will raise their paddle.
4. After the “Paddles up” call has been made, no paddle may be exchanged for another paddle.
5. At the “Paddles down” command, quizzers must lower their paddle.
6. Teams are awarded 10 points for each correct answer. There is no penalty for incorrect answers.

Team Huddle

1. Quizzers work together as a team to provide a unified short answer response. Each quizzer will have their own dry-erase board and marker to discuss their answer with their team. Team Huddle answers are chosen and presented to the Reader & audience.
2. The Reader will read the question and then say “Huddle.” Quizzers may not begin to write until this direction is given.
3. Quizzers are given 20 seconds to complete their answers. A 5 second warning is given prior to time called so that a team may complete an answer.
4. Team members will show their answers to each other, and select one of the written answers.
5. Teams will show their answers to the Recorder. Answers will be held up for all to see. We encourage teams to write large and legibly. Correct spelling is not required, provided the answer is understandable. Recognized or understood abbreviations are acceptable.
6. Correct answers are worth 20 points. Incorrect or incomplete answers are worth -10 points. Blank boards are worth 0 (zero) points.
